

PERSONAL PLANNER

2023/2024 ACADEMIC YEAR

This Personal Planner assists you in understanding your estimated family responsibility in support of your educational costs for the 2023/2024 academic year based on your current Financial Aid Notification (FAN). Keep in mind that the costs outlined below are averages. Your costs may vary depending on the actual charges assessed by the University.

Your financial aid is subject to change due to new information such as receipt of private scholarship assistance not noted on the FAN.

Room & Meals	\$17,378

Private Scholarships: The receipt of a private scholarship or other aid that is not listed on your original FAN may change your eligibility. If your financial aid is adjusted as a result of the receipt of additional funding, your family responsibility may change. Please review the Undergraduate Student Funding section of the *Financial Aid Conditions and Information* guide to learn how your family responsibility may change.

It is your responsibility to recalculate your estimated family responsibility based on your most recent FAN.
