All international students who apply for admission to the University of Notre Dame must also submit a Certification of Finances at the time of application. This Certification outlines the financial resources that will be used to finance your Notre Dame education. Admission is ultimately dependent upon your ability to demonstrate sufficient financial support to cover the total projected costs of an undergraduate education.

Strict government regulations require that the University verifies the financial resources of all international student applicants before the I-20 or DS-2019 Certificate of Eligibility forms can be issued. The I-20 or DS-2019 will be used to apply for the F-1 or J-1 visa, or a change of status to the F-1 or J-1 status from within the United States. The I-20 or DS-2019 will be issued by the University upon admission and confirmation to enroll at the University of Notre Dame.

Please print your responses to each question completely and accurately. Enter all amounts in U.S. dollars. Return this certification to the Office of Undergraduate Admissions as a PDF attachment to an email to [international@nd.edu](mailto:international@nd.edu). Complete Sections A through E as appropriate.
